New MolarDrama Production, New Location

(Sedgwick County, Kansas) – In observance of “Dental Health Month,” the Sedgwick County Health Department will present a NEW MolarDrama production to Sedgwick County public and private school 2nd graders. This annual event will occur February 4th through the 8th, with performances at 10:00 a.m. and 1:30 p.m. daily at the Wichita Center for the Arts at 9112 E. Central. Reservations are required.

The annual event, held the first week of February, is coordinated by the Sedgwick County Health Department and is presented to over 5,000 young students and their parents. The show is both educational and entertaining for the young age group, providing information about dental health.

“The role of the Sedgwick County Health Department is to provide health information and services to all citizens in our community, including our youngest. We have the great opportunity to teach kids about the importance of dental health in a fun and memorable way with the MolarDrama,” said Sedgwick County Commission Chair Ben Sciortino.

This new production is sponsored by the Wichita District Dental Society (WDDS), with a grant from the United Methodist Health Ministries Fund. Craig Lashley, DDS, is the WDDS representative. Other major sponsors include the Boeing Employee Friendship Fund, Delta Dental Insurance, Dillons and the Midwest Dairy Council, with additional support from local dental laboratories.
